**Notice Inviting Expression of Interest**

No: UPSUGARFED/GM(Proj Fin)/5074

Dated: 09/06/2017

U.P. Co-operative Sugar Factories Federation Ltd., having 24 running co-operative sugar factories and 6 distillery units, invites expression of interest (EOI) from experienced firms and companies to supply, erect and commission the plant to produce BIO CNG/BIO COMPOST in sugar mills using press mud/any agriculture residue from sugar mills and spent wash from distilleries. Spent wash of distilleries, attached to sugar mills, will be fully utilised in proposed plant to make it zero liquid discharge. The process and technology should be approved from NGT/CPCB. The capacities of sugar mills and distilleries can be obtained from our website.

Interested parties, having experience and technology to produce BIO CNG/BIO COMPOST from press mud /any agriculture residue/ spent wash are invited to give their presentation about technology, commercial production experience, estimated cost of project, terms and conditions at the meeting hall of U.P. Co-operative Sugar Factories Federation Ltd., 9-A Rana Pratap Marg, Lucknow-226001. on 21.06.2017 at 11 am onwards.

Contact Persons :	Shri Sunil Kumar	- 7880888813
	Shri N.K.YADAV	- 7880888811
	Shri S. K. OHRI	- 7880888890

The details of EOI are placed at our web site [www.upsugarfed.org](http://www.upsugarfed.org) from 13.06.2017 and can be downloaded from there. Please visit our website regularly for any corrigendum.
